It's re
delay of
exam.

Hon. Commissioner of Patents and Trademarks, Washington, D.C. 20231,
Box AF.

Sir,

Request for delaying Examination

Please delay the Examination of the above-identified application of mine.

The reason for the delay is that : it is a CIP of my another application serial number : 08/587,448 which is now under APPEAL, and the decision on the APPEAL of the mother application will definitely affect the prosecution of the present CIP application, so it is necessary to wait until the decision on the APPEAL is issued.

Thanks for your attention !
